There are eighteen colours in the Kurrajong Farm Milk Paint range. As they are all made using the same milk paint base we urge you to experiment with blending them to create your own unique colours.

You can find us at www.kurrajongfarm.com.au or on Facebook at Kurrajong Farm Collection.

This colour chart has been produced by digitally sampling directly from surfaces painted with Kurrajong Farm Milk Paint and while we have endeavoured to render the colours as accurately as possible please allow for variations caused by printing inks and technology.
